TO
MAKE A
DIFFERENCE?

Thomas More

FAITH TO ACTION

*There are many young people all unique
in background and upbringing who
want to make a difference in the
world today.*

the **THOMAS
MORE** Centre

*The Thomas More Centre supports and
inspires a growing network of young adults
who wish to make a positive contribution to
society. TMSAGs encourage peaceful yet
powerful social activism and formation in the
rich Social Teachings of the Catholic Faith, by
engaging in discussion and action on current
social, bioethical and political issues.*
